religion or gender in the administration of educational policies,
application of admission, and extracurricular and athletic programs.***

ADMISSIONS POLICY

CATHOLIC HIGH SCHOOL

“Catholic schools in the Diocese of Lafayette exist to provide solid education in secular subjects but mainly to instill gospel values in our young people.”

New students at Catholic High are admitted under a two-tier system:

Tier I is for all students applying for entry into grade four and students from Trinity Catholic School in St. Martinville who are applying for admission into grade nine. This tier also applies to students who apply for admission to Catholic High in any grade from any other Catholic school.

Tier I priority is as follows:

1. Priority I: Feeder schools at appropriate grade levels
2. Priority II: Other feeder/Catholic Schools at other grade levels
3. Priority III: Incoming 4th graders from non-feeder schools

Completed application and proper documentation as specified on check-list are required.

Tier II is for all other students applying for admission in grades 5-12 currently attending non-feeder and/or non-Catholic schools. Completed application, proper documentation as specified on check-list and admissions interview are required for Tier II applicants.

Home schooled students are welcomed to apply for admission to Catholic High. Verification of curriculum approved by the Louisiana State Department of Education must be included with all other required documentation. The application process also includes an admissions interview. Home schooled students must present current standardized test scores that recommend grade placement and records from all schools previously attended. Students may be asked to take the standardized achievement test administered by the school for their grade levels if application for admission is received prior to Catholic High school testing dates. These students must also attend a meeting with C.H.S. administration to review the home school program of study and consent to a one semester academic review period.

All admissions are provisional until year-end data and evidence of passing the LEAP Test (grade 4 and grade 8 only) have been submitted.

Verification of alumni affiliation may be requested in some cases.

Catholic High School makes no discrimination on the basis of race, religion or gender in the administration of educational policies, application for admission, and extra-curricular and athletic programs.
