

## GETTING INVOLVED...

That's what it's all about when it comes to playing an active role in your child's education! So often parents are surprised to hear how many opportunities we have in which they can get involved at Catholic High. To give you a better idea of where you can become active at Catholic High, we have compiled a list of stewardship opportunities. Please give of your time and talents in whichever areas interest you! Please complete and return to the attention of Jamie Nelson-Hebert, Development Director.
