INTRODUCTION

Like most of you, I have enjoyed the New Orleans Saints' season. It's remarkable to watch a team accomplish something special. During our last Thanksgiving break, I ran into Coach Mike Holmgren (former coach of the Green Bay Packers and Seattle Seahawks) at the Phoenix Zoo. We began talking about football and I asked him who he liked this year. He said he liked the Saints because they "have something special going on." He pointed to their talented receivers and the fact that their offensive nucleus has been together for four years. At the time, he said he believed with their improved defense they could win the Super Bowl. For what it's worth...

INFORMATION

1. Re-registration is underway. Please follow the directions on ParentsWeb or on the website. The process begins with updating your RenWeb information—and saving each page. After that, you request a registration packet. This year, we have set February 12th as the deadline for registration. After that date, the registration fee will increase to \$500 and no students' spot will be reserved.
2. Along with registration, letters of intent are part of the planning process. We ask all staff members about their plans for next year. This process also provides them with an opportunity to tell us what else they would like to teach, coach, or direct.
3. We are exploring our Dual Enrollment options for seniors with Louisiana Tech. Next week, we will meet with officials from Louisiana Tech to see if the program is right for our school. At this time, it appears that we could offer Dual Enrollment classes for seniors that would either replace or coordinate with our AP or Honors classes that would give seniors credit each semester for an additional fee. An ambitious senior could earn 6 credits in the biology, English, World History, and/or math. Juniors need to stay tuned!
4. A reminder to all senior parents that the prom is scheduled for Friday, April 23rd. That day is reserved for Senior Skip Day. If your senior student tells you that another day is also considered a senior skip day, that is incorrect.
5. The prom and the RetroProm fundraiser (Saturday, April 24th) will be held at Club La Lou. We received a special rate by scheduling both events there for two years!
6. Special thanks to all of our grandparents. We had over 500 grandparents in attendance last Wednesday! We're already looking for ways to improve traffic flow and parking next year.

7. Every month, Catholic High conducts an emergency drill to keep our students safe. Last week, we conducted our second "lock down" drill. Next month, we'll conduct another tornado drill. We've already executed three fire drills.
8. We have chosen to celebrate Black History Month in a very simple way. Every morning after prayer/pledge, one of our students reads a short passage about a famous African-American.
