Dear Parents,

Campers will learn the basic fundamentals of the game of basketball. From ball handling and proper shooting form to defensive skills. This will be a great opportunity for your daughter, who is interested in learning the game of basketball and being a part of our program here at Catholic High.

I stand by Edward Leblanc's teachings and have seen him in action with some of my high school girls this past season. I have also learned a lot by watching him and hearing his terms. As a teacher and a coach I am always learning a better way to teach your daughter to be a better player, as well as a young lady.

I will not be able to be involved this summer with the girls' progress, because of my medical leave. I hope that you and your daughter take advantage of this great opportunity to learn from another professional.

Thank you,

Coach Jessica Frederick
